Dear Coaches Harmon and Hillen:

On behalf of the Southeast Wyoming Chapter of the Wyoming Society of Professional Engineers, thank you for coaching the Guernsey-Sunrise Mathletes® in this year's chapter MATHCOUNTS competition. We greatly appreciate the extra time you have taken to work with these students. There is no doubt this experience has led to a greater awareness of mathematics, and hopefully they will continue to look for, and solve, challenges in the years to come.

We realize that being a MATHCOUNTS coach involves a long-term commitment. Dedicated teachers like you make it possible for MATHCOUNTS to encourage the growth of strong math skills in a fun and exciting experience for thousands of students across the county. We extend our genuine appreciation for your dedication to the students through MATHCOUNTS. Additionally, please let your administration and school board know that we appreciate Guernsey-Sunrise's participation this year.

Pictures from the chapter competition have been posted on the *Southeast Wyoming Mathcounts* Facebook page. We hope you have enjoyed your time as the Guernsey-Sunrise MATHCOUNTS Coaches, and we look forward to working with you again. Please feel free to share your thoughts on the program with us at any time.

Sincerely,

Erin M. Gates, P.E.
